

Special chocolate-coated edition!

Just a quick one this week.

Training resumes this Thursday April 28 for all at Graceville. Training will move to the other side of the oval near the cricket pavilion. There is a small lane off Oxley road that leads to plenty of off street parking.

As mentioned last week, U11 and U13 teams have been split into two divisions. The BHA has not published the full draw yet, but for those who are interested we've included all the information we have for this week below.

Hopefully the weather will be kind to us this week, see you at training – Ed.

Thursday night BBQ

Just a reminder that there will be a BBQ at Graceville training every Thursday night.

Sausage in bread	\$2.00
Can of soft-drink	\$2.00
Bottled Water	\$2.00

The funds raised all go toward the club so eat, drink and be merry!

Uniform sales for the rest of 2011

Due to limited space in our car, I won't be bringing the uniforms to training every week from now on. If you need shorts or socks, please don't hesitate to email me (jenny.gill@uq.edu.au) with what you need and I will bring it along to training on Thursdays. If you don't know what sizes you need, I am happy to bring a few along if you let me know an approximate size range.

A reminder for Saturday mornings...

Please have all players at the ground ready to play 30 minutes before the game, which gives them time to warm up and lets the coach and manager know that they have a full team. If you are running late, please call your Coach and let them know you are on your way.

Please make sure that your child turns up to all games with a mouth guard, shin pads, club shorts, club socks, a bottle of water and a hockey stick.
